Re: ZBA Application #06-373  
Bayberry Estates

Date: May 11, 2006

Pertaining to emergency services, specifically Section 5.7.1, I would require a consultation prior to assigning any street names and unit numbers.

The State Emergency Telecommunications Board (SETB) requires certain naming and numbering conventions through its Municipal Liaisons.

I may be contacted anytime throughout the week.

Sincerely,

Frank Quattrochi
